Applicant would like to replace his mobile home with a larger mobile home and seeks a front setback variance of 4.25' and a two-side setback variance of 83' in order to be compliant with Town zoning regulations.

The Applicant appeared before the Board and explained he would like to remove his current 12' x 64' mobile home and replace it with a new 16' x 74' mobile home in the same location, and according to the Town Zoning Officer he needs a couple of variances to do this.

Chairman Stephen Bodnar questioned if that measurement includes the hitch and the Applicant responded it would be 78' with the hitch. Chairman Stephen Bodnar questioned Zoning Officer Gil Albert if the hitch has to be included in the measurement and he said no, so when you remove the 4' – 6' of hitch you have 74' in length and typically today when the mobile home is placed they remove the hitch. Chairman Stephen Bodnar then stated he doesn't believe the lot coverage will be much more than the Applicant currently has.

Chairman Stephen Bodnar asked Zoning Officer Gil Albert for his opinion; he stated he sees no problem with this. Chairman Stephen Bodnar then questioned why the 83' variance since he doesn't believe the Applicant needs the two-side setback variance and Zoning Officer Gil Albert responded that after re-reading the regulations, he found he was in error and the Applicant does not need the two-side

setback; he explained he had thought the Applicant needed 200' two-side setback, but according to our zoning regulations he needs only 100' and he has more than that. Zoning Officer Gil Albert apologized for the error.

Chairman Stephen Bodnar asked if the Board had any questions; there were none.

**After providing Proof of Notice in the Saratogian on November 11, 2010, and noting that this falls under the county waiver agreement with the Town, Chairman Stephen Bodnar opened the Public Hearing at 7:11 p.m. asking those wishing to speak to please stand and state their name and address.**

No one came forward. Chairman Stephen Bodnar asked the Board if there were any more questions; finding none, **Chairman Stephen Bodnar closed the Public Hearing at 7:12 p.m.**

Chairman Stephen Bodnar then read the Summary of Area Criteria and went through it line by line with the Board, and they found it proved in favor of the Applicant. He then asked if there were any other Board questions; there were none.
