**Order of Business:**

**Area Variance**

**Wilame Vieira Piteri #09-09  
265 Evans St.  
Victory, NY  
S/B.L 170.30-1-1 Village Extension**

Applicant is seeking an area variance and a back setback variance because his shed is too close to the back property line and he does not meet zoning regulations.

Mr. Piteri appeared before the Board explaining he has built a shed and was unaware he needed a permit or variances, but Zoning Officer Gil Albert explained this to him and that is why he is now here. Chairman Stephen Bodnar stated he has been by the property and Alternate member John Deyoe added he too had gone by the property. Board member Bill Moreau questioned if there had been a previous shed there and Zoning Officer Gil Albert responded not to his knowledge. Chairman Stephen Bodnar questioned who owns the alley and Zoning Officer Gil Albert stated it is a paper alley. Chairman Stephen Bodnar then asked for the Town Attorney's opinion on the paper alley. Town Attorney William Reynolds said it is not for the Board to determine ownership, adding he hasn't looked at it, but back in the beginning of the century the alleys (streets) were mapped into lots and those 'streets' only exist on those filed maps; in all likelihood ownership is people who abut them. Alternate member John Deyoe questioned if the Applicant then owns to the middle of the paper alley; which would give him more area. Town Attorney William Reynolds responded yes, in all likelihood. Chairman Stephen Bodnar questioned what the use of the shed would be and the Applicant responded he uses it for office space; for paperwork only. There is no water or sewer but he does use an electric extension cord from his house to supply lights if working there after dark. Chairman Stephen Bodnar asked if there were any other questions from the Board, there were none. Chairman Stephen Bodnar asked Zoning Officer Gil Albert for his opinion and Zoning Officer Gil Albert

responded he sees nothing wrong with granting the variances and since variances are for lifetime and due to the paper alley, he thinks, as the Town Attorney explained, that it is safer to give the variance in case something comes up in the future, then the Applicant is covered. Chairman Stephen Bodnar noted that when he looked at the placement of the shed, he felt the Applicant could have come in on the property more had he known about setbacks. Zoning Officer Gil Albert agreed.

**After providing Proof of Notice in the Saratogian on November 19, 2009, Chairman Stephen Bodnar opened the Public Hearing at 7:13 p.m. asking those wishing to speak to please stand and state their name and address.** No one came forward.

Chairman Stephen Bodnar asked the Board if there were any more questions; finding none, **Chairman Stephen Bodnar closed the Public Hearing at 7:16 p.m.**

**Chairman Stephen Bodnar made a motion, seconded by Thomas Carringi to approve the variance application as applied for because it will not infringe on anyone's useable property and it is consistent with the area.** Chairman Stephen Bodnar-aye, James Burke-aye, Barbara Faraone-aye, Thomas Carringi-aye, Clifford Hanehan-aye, William Moreau-aye, Clarence Fosdick-aye,
