## **Warm Greetings to Everyone!**

The arrival of October places us in the final quarter of the year. Our energies are now divided between working on this year's business and making plans for next year. The next meeting of the Town Board is scheduled for Wednesday, October 11<sup>th</sup> at 7:00 p.m. Some of the items that will be covered at this meeting include: a resolution honoring Alice Smith, zoning officer's report, town clerk's report, supervisor's report, town hall building committee report, and committee reports. Bids will be opened for the purchase of sand, gravel, fuel oil, and diesel fuel. The Town Board Agenda meeting will be held on Thursday, October 6<sup>th</sup> at 7:00 pm. The town offices will be closed Monday, October 9<sup>th</sup> in observance of the Columbus Day Holiday.

Following last month's public hearing on the Adult Use Business Law, some changes have been added. These include making the application a \$1,000 annual renewable special use permit and adding cemeteries to the list of uses from which the adult business must be separated.

The Town has recently been informed that we received a Legislative Grant from Senator Bruno's office in the amount of \$15,000. The grant money will be used to purchase and install a new emergency power generator for the Town Highway Department garage. We have developed a tentative 2007 town budget and will be reviewing it closely for needed adjustments.

## **Saratoga Lake Association News**

Judge Nolan has ruled in favor of the SLA, SLPID, and Towns of Saratoga and Stillwater. Judge Nolan annulled the 2005 resolution of the City of Saratoga Springs that accepted the FEIS and adopted a SEQRA finding statement relative to the city's plan to develop Saratoga Lake as a source of water. We are very pleased with this decision. The SLA will conduct their next meeting at 7:00 pm on October 18<sup>th</sup> at Panza's Restaurant. The official website of the association is [www.saratogalake.org](http://www.saratogalake.org). This site is a source of detailed information about events and activities taking place at the lake.
