Assessors' Report

March 2014

February was busy with the acceptance and processing of exemption applications, both renewal and new. Letters were sent to 9 property owners that indicated we did not receive their renewals. We also continued adding sales to our assessment roll. During the last couple of months we had 23 sales of which 5 were valid sales and 18 were non-valid sales. These sales consisted of 2 vacant properties, 1 commercial property and 20 residential sales.

This month we will update our file with building permit completion values and continue to review properties brought to our attention for a look at its value.

We begin again our 3 day a week schedule. I will be here on Tuesdays and Wednesdays and Dorothy will be in on Wednesdays and Thursdays.
