

TOWN of SARATOGA
12 SPRING STREET
SCHUYLERVILLE, NY 12871

TELEPHONE # (518) 695-3644
FAX # (518) 695-6782

The town of Saratoga formed a committee to honor and recognize the hard work and dedication of our Volunteer Firefighters and EMS workers. The committee has a variety of members including representatives of the four agencies that we plan to honor –General Schuyler EMS, Quaker Springs Fire Department, Schuyler Hose Company, and Victory Mills – David Nevins Fire Department. The committee was also charged to develop a special tribute for honoring Volunteer Firefighter Brian Myers Sr. of the Schuyler Hose Company who gave his life in the line of duty on January 1, 1997.

The committee is designing a “Volunteer Recognition Park” in front of the new town hall at the corners of Spring Street and Broad Street in the village of Schuylerville, The committee is offering all residents of the town and fire protection districts a chance to be a part of this recognition by sponsoring a “Friend of the Volunteers” brick at the Volunteer Park.

The cost of each 4”x 8” brick will be \$50. Please use the enclosed form and envelope for ordering. You may order as many bricks as you like. Each brick needs to have a separate order blank. The sponsorship of a brick is tax deductible. Please make out the check or money order to Town of Saratoga – Friends of the Volunteers.

Our community’s volunteers must respond 24/7. The volunteers must tend with snow, rain, sleet, darkness and cold. They must arrive at their respective alarm stations within minutes of being paged. They answer the call, so will you please join others in the community in honoring them by becoming a “Friend of the Volunteer”?

Sincerely,
 Friends of the Volunteer Committee

Please use the lines below, one line per Capital letter to format the words on your brick:
