

PROJECT ELIGIBILITY

The Town of Saratoga is considering submitting a grant request to the New York State Office of Homes and Community Renewal. We are conducting a survey to determine how many residents are interested in participating in the Mobile & Manufactured Home Replacement Program. If awarded, these funds will be available to residents of the Town :

- Applicant must own, occupy, and have title to a mobile or manufactured home and land.
- The property must be located in the Town of Saratoga;
- The property must be used entirely for residential purposes;
- Applicant must be current with all local, school and property taxes;
- Applicant household must meet income eligibility requirements.

Participation in this survey does not guarantee a grant award, nor does it obligate the property owner to accept grant funding.
